The Denis S. Barry Foundation was formed by Denis's family & friends to help keep his memory & spirit of giving alive. Denis passed away at the age of 44 in December 2004. He was a devoted volunteer with the Marty Lyons Foundation, the not for profit organization dedicated to fulfilling the special wishes of children between the ages of three & seventeen who have been diagnosed as having a terminal or life threatening illness. One important lesson we learned from Denis was to make room in our lives to help others who are less fortunate which is why The Denis S. Barry Foundation partnered with the Marty Lyons Foundation.

We assists families of Wish Children who need financial assistance in order to provide a proper burial for a child who has died as a result of a terminal illness. In many cases, while families are fighting for their children's lives, they losing everything, only to be left with grief & debt. Your generous support will give families the grace & comfort they deserve & assist with the financial burden of bringing their child to their final resting place.

If you are unable to attend, but would still like to make a donation, please send it to:
